

How-to:

Utah's Tribes Can Support AI/AN Children in Foster Care

Native Homes for Native Children

Write a letter of support or pass a tribal resolution indicating your Tribe's support for Utah Foster Care. Samples are available for download, online: utahfostercare.org/tribes

Invite us to meet your Council and community stakeholders.

Donate.

Cosponsor an event.

Join the Utah American Indian Foster Care Task Force or assign a representative from your Tribe.

Lobby for statewide changes to policy and legislation impacting the eligibility of American Indian families to become licensed homes.

Support statewide information collection and state/tribal resource development.

Post a link to Utah Foster Care on your program or Tribal website.

Join our information list serve to stay connected to updates, information, and news: utahfostercare.org/tribes
