

A family of five is seen from behind, walking down a dirt path through a wooded area. They are carrying a large, dark green canoe. The father, wearing a red and black plaid shirt and a baseball cap, is in the center. To his left is a young boy in a white shirt, and to his right is a young boy in a dark blue polo shirt and floral shorts. In the foreground, a young girl in a blue and red striped shirt and khaki shorts is walking. A small child in a red and white striped shirt is visible further ahead. The path is lined with tall, thin trees and dense foliage. The lighting is bright and natural, suggesting a sunny day.

Always be bigger, stronger,
wiser, & kind.

Whenever *possible*, follow
your child's need.

Whenever *necessary*,
take charge.
