

**Complete List of Donors in Excess of \$100
Fiscal Year 2016**

Children in foster care would not have access to enrichment programs like the Wishing Well Fund, Giving Tree, and Foster Family Camp without your generous gifts. Through donations, Utah Foster Care is able to offer these value-added programs at little or no cost to foster families.

A sincere thanks to the many friends of children in foster care who donated to Utah Foster Care in fiscal year 2016 (FY16) and to the many who donate year after year!
