

# Adoption:

ALWAYS

# MESSY

SOMETIMES

# MADDENING

OFTTIMES

# MAGICAL

---

There's no single adoption story...  
every adoption is a single point in the  
lives of countless people.

Nat'l Adoption Month is about  
listening to and learning from the  
stories of adoptees, adoptive parents,  
and biological parents—and then  
working to improve their lives—  
one and all.
