Two Special cases to be aware of:

Special Case 1:

If you complete the entire TBRI series remotely (18 hours), your RFC may grant an exception to the in-person requirement for that licensure year.

Special Case 2:

Foster parents can count 2 hours/year towards their in-person requirement if they volunteer to help with childcare at an in-service training. You will need to submit three things you learned during that time. We especially encourage this option for newly licensed families
