38  
39 **The Family Acceptance Project** [familyproject.sfsu.edu](http://familyproject.sfsu.edu)

40 The Family Acceptance Project™ is the only community research, intervention, education and policy initiative that works to  
41 decrease major health and related risks for lesbian, gay, bisexual and transgender (LGBT) youth --such as suicide, substance  
42 abuse, HIV and homelessness – in the context of their families. They use a research-based, culturally grounded approach to help  
43 ethnically, socially and religiously diverse families decrease rejection and increase support for their LGBT children.

44  
45 **The National Resource Center for Youth Development** <http://www.nrcyd.ou.edu/lgbtq-youth>

46 Addressing the experiences of LGBTQ youth in general and LGBTQ youth in foster care specifically, the National Resource  
47 Center for Youth Development highlights the need for education, training, and resources for working with this population.

48  
49 **The National Center for Lesbian Rights** [nclrights.org](http://nclrights.org)

50 The National Center for Lesbian Rights is a national legal organization committed to advancing the civil and human rights of  
51 lesbian, gay, bisexual, and transgender people and their families through litigation, public policy advocacy, and public education.  
52 NCLR has produced guidelines and best practices to meet the needs of LGBT youth in child welfare and juvenile justice settings.
