Independent Auditor's Report

To the Board of Directors
Utah Foster Care Foundation

Opinion

We have audited the accompanying financial statements of **Utah Foster Care Foundation** (a nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023 and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Utah Foster Care Foundation** (the "Foundation") as of June 30, 2024 and 2023 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

UTAH FOSTER CARE FOUNDATION

Notes to the Financial Statements
For the Years Ended June 30, 2024 and 2023

1. ORGANIZATION

Utah Foster Care Foundation (the “Foundation”) is a Utah not-for-profit corporation organized to recruit, train, and support foster care families.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Foundation prepares its financial statements on the accrual basis of accounting and follows accounting principles generally accepted in the United States for nonprofit organizations and reports information regarding its financial position and activities according to two classes of net assets, with donor restrictions and without donor restrictions, based upon the following criteria:

Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Foundation. These net assets may be used at the discretion of the Foundation’s management and the Board of Directors.

Net assets with donor restrictions – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Foundation or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Key management estimates include the useful lives of property and equipment, the allocation of program and supporting service expenses, and the allowance for uncollectible receivables.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Foundation considers all highly liquid investments purchased with an original maturity of three months or less, and available for expenditure at the discretion of the Foundation’s management, to be cash equivalents.

Investments

Investments consist of marketable securities reported at their readily determinable fair values. Unrealized gains and losses are included in the change in net assets, less external and direct internal investment expenses.

UTAH FOSTER CARE FOUNDATION

Notes to the Financial Statements
For the Years Ended June 30, 2024 and 2023

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Accounts, Grants and Promises to Give Receivable

Unconditional promises to give that are expected to be collected in more than one year are recorded at fair value, which is measured as the present value of their future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution support. In the absence of donor stipulations to the contrary, promises with payments due in future periods are restricted to use after the due date. As of June 30, 2024 and 2023, the discount on promises was immaterial. Management determined that a \$0, and \$0 allowance was necessary based on historical collections and other factors specific to each donor as of June 30, 2024 and 2023, respectively.

Accounts and grants receivable are carried at the original billed amount less an estimate made for doubtful receivables based on a review of all outstanding amounts on a periodic basis. Management determines the allowance for doubtful accounts by identifying troubled accounts and by using historical experience applied to an aging of accounts. Receivables are written off when deemed uncollectible. Recoveries of receivables previously written off are recorded when received. As of June 30, 2024 and 2023, management determined that no allowance for accounts and grants receivable was necessary.

Property and Equipment

The Foundation capitalizes purchases of property and equipment at cost. The fair value of donated property and equipment is similarly capitalized. Minor replacements, maintenance, and repairs, which do not increase the useful lives of the property and equipment, are expensed as incurred. Depreciation and amortization are provided on a straight-line basis over the estimated useful lives of the assets or lease terms, ranging from three to seven years.

Capital Leases

The Foundation has elected not to separate non-lease components from lease components and will account for all components as a single lease component.

Impairment of Long-Lived Assets

The Foundation reviews its property and equipment, and other long-lived assets, for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may be impaired. If it is determined that the estimated undiscounted future cash flows are not sufficient to recover the carrying value of the asset, an impairment loss is recognized in the statement of activities for the difference between the carrying value and the fair value of the asset. Management does not consider any of the Foundation's assets to be impaired as of June 30, 2024 and 2023.

Contributions

Unconditional contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions.

UTAH FOSTER CARE FOUNDATION

Notes to the Financial Statements
For the Years Ended June 30, 2024 and 2023

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Contributions (Continued)

All donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Donations of advertising, property and equipment, and supplies (such as blankets and clothing) are recorded as support at their estimated fair value at the date of donation. Such donations are reported as support without donor restrictions unless the donor has restricted the donated asset for a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as support with donor restrictions. Absent donor stipulations regarding how long those donated assets must be maintained, the Foundation reports expirations of donor restrictions when the donated or acquired assets are placed in service. The Foundation reclassifies net assets with donor restrictions to net assets without donor restrictions at that time. Donated marketable securities and other non-cash donations are recorded as contributions at their estimated fair values at the date of donation.

The Foundation recognizes contributions when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barriers, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

Donated Services

Many individuals volunteer their time and perform a variety of tasks that assist the Foundation with specific programs and assignments. Donated services are reflected in the financial statements when such services create or enhance a nonfinancial asset, or when the services require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. The expense for these donated services is allocated between program and supporting services in the statements of activities.

Income Taxes

The Foundation is a qualified charitable organization under Section 501(c)(3) of the Internal Revenue Code and under state of Utah regulations, and as such, is not subject to federal or state income taxes on exempt purpose income. The Foundation is subject to taxation on unrelated business income.

The Foundation accounts for uncertain tax positions, if any, when it is more-likely-than-not the position will not be sustained upon examination by the tax authorities. As of June 30, 2024, the Foundation had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Foundation is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Functional Allocation of Expenses

The costs of programs and supporting services have been summarized on a functional basis in the statement of activities. All direct costs are charged to functional areas. Indirect costs are charged to programs and supporting services based on estimates made by management, taking into account the nature of the expense. Management and administrative costs include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Foundation.

Advertising

Advertising costs are expensed as incurred and were approximately **\$98,000** and \$69,000 for the years ended June 30, 2024 and 2023, respectively.

Activities

The following is a description of the activities for each of the Foundation's programs:

Recruitment – Assess the needs of children in foster care in cooperation with the state of Utah Division of Child and Family Services. Provide information to communities and target the types of families who can meet those needs.

Retention – Provide supporting services to foster care families to assist them in their care-giving experience.

Education – Provide pre-service and in-service training to families involved in all phases of foster care.

Recently Issued Accounting Pronouncements

In June of 2016, The FASB issued Accounting Standards Update 2016-13, *Financial Instruments – Credit losses*, which requires a financial asset (or a group of financial assets) measured at amortized cost basis to be presented at the net amount expected to be collected. This requirement eliminates the probable initial recognition threshold in current GAAP which has delayed recognition of credit losses until the loss was probable. Instead, the new treatment will better reflect an entity's current estimate of all expected credit losses. In addition, the new guidance requires that any credit losses on available-for-sale debt securities to be presented as an allowance rather than as a write-down. Initial allowance for credit losses is added to the purchase price rather than reported as a credit loss expense. Subsequent changes in the allowance for credit losses are recorded in credit loss expense. This will allow entities to also record reversals of credit losses in current period net income, whereas the current GAAP prohibits reflecting these improvements in current period earnings. The Foundation adopted this new guidance as of July 1, 2023. The adoption of this guidance did not have any material impact to the Foundation's financial statements as a whole.

Reclassification

Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements. Total net assets and changes in net assets were not affected by the reclassifications.

3. LIQUIDITY AND AVAILABILITY

The Foundation is financially supported primarily by a government grant provided by the Utah Division of Child and Family Services (“DCFS”). Funds are dispersed on a monthly basis dependent on total prior month qualified expenses and the grant contract is subject to renewal every five years. In addition, the Foundation receives contributions with or without donor restrictions for recruitment, education, retention, management and general, and fundraising for foster families and foster children in the state of Utah. It also receives in-kind gifts that can be passed on to foster families which helps eliminate additional cash outlay. Event registrations and sponsorships are also awarded to the Foundation throughout each year. For the years ended June 30, 2024 and 2023, the amount provided by government funding covers approximately **77%** and 93% of total Foundation expenses. The remaining expenses are covered by monetary support the Foundation receives primarily through contributions.

The Foundation considers investment income without donor restrictions, contributions without donor restrictions, and contributions with donor restrictions for use in current programs which are ongoing and central to its annual operations, to be available to meet cash needs for program and supporting services. Supporting services include administrative, support, general expenses, and fundraising expenses. Program services are defined as activities occurring during the Foundation’s fiscal year related to recruitment, education, and retention of Utah foster families.

The Foundation manages its cash available to meet general expenditures following three guiding principles:

- Operating within a prudent range of financial soundness and stability;
- Maintaining adequate liquid assets; and
- Maintaining sufficient reserves to provide reasonable assurance that obligations that support mission fulfillment will continue to be met, ensuring the sustainability of the Foundation.

The Foundation strives to maintain financial assets available and monitors budgeted expenses through the end of the fiscal year in an effort to ensure there are sufficient funds to cover 90 days of total expenses at any given time.

5. FAIR VALUE MEASUREMENTS

Fair value is defined as the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumption market participants would use in pricing the asset based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entities own assumptions about those that market participants would use in pricing the asset based on the best information available.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs are as follows:

Level 1 – Valuations based on quoted prices in active markets for identical assets or liabilities that the Foundation has the ability to access. Valuation adjustments and block discounts are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.

Level 2 – Valuations based on one or more quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

Investment assets measured at fair value on a recurring basis as of June 30, 2024 and 2023 are as follows:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

9. LINE OF CREDIT

The Foundation maintains a line of credit arrangement with a financial institution with a borrowing capacity of \$50,000. The line of credit bears interest at an annual rate of 11.5% and does not have a maturity date. As of June 30, 2024 and 2023, the Foundation had no outstanding balance on the line of credit.

10. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions represent donations to the Foundation that are subject to time restrictions or are expendable only for specific purposes, as follows:

	2024	2023
Time restricted	\$ 5,265	\$ 4,523
Foster family retention	92,131	80,350
Other	205,906	98,914
Total net assets with donor restrictions	\$ 303,302	\$ 183,787

11. CONTRIBUTIONS OF NONFINANCIAL ASSETS

For the years ended June 30, 2024 and 2023, in-kind contributions recognized within the statement of activities consisted of the following:

	2024	2023	Utilization in Programs or Other Activities	Donor Restrictions	Valuation Techniques and Inputs
Goods	\$ 599,105	\$ 411,154	Recruitment, Retention, and Education	None	Goods are valued at the estimated fair value based on current rates for similar products. 12. LEASES

The Foundation has outstanding finance lease obligations that expired in July 2023 and will expire in October 2028. For accounting purposes, the equipment acquired under these finance leases was initially recorded at the present value of the future minimum lease payments as of the lease inception date. The Foundation leases office facilities and equipment under non-cancelable operating leases. The Foundation included in the determination of the right-of-use assets and lease liabilities any renewal options when the options are reasonably certain to be exercised.

The weighted-average discount rate is based on the discount rate implicit in the lease, or if the implicit rate is not readily determinable from the lease, then the Foundation estimates an applicable incremental borrowing rate. The incremental borrowing rate is estimated using a risk-free rate. The Foundation determined the implicit rate in its finance lease agreements and used a risk-free rate for its operating lease agreements.

The Foundation has elected the short-term lease exemption for all leases with a term of 12 months or less for both existing and ongoing operating leases to not recognize the asset and liability for these leases. Lease payments for short-term leases are recognized on straight-line basis.

Total lease costs for the years ended June 30, 2024 and 2023, were as follows:

	2024	2023
Operating lease cost	\$ 350,196	\$ 270,000
Finance lease cost:		
Interest expense	4,220	4,103
Amortization of right-of-use assets	23,520	22,545

The following table summarizes the supplemental cash flow information for the years ended June 30, 2024 and 2023:

	2024	2023
Cash paid for amounts included in the measurement of lease liabilities:		
Operating cash flows used for operating leases	\$ 316,303	\$ 270,180
Financing cash flows used for finance leases	23,176	25,207
Right-of-use assets obtained in exchange for lease liabilities:		
Operating leases	\$ 10,412	\$ 1,484,071
Finance leases	-	179,622

12. LEASES (Continued)

The following summarizes the weighted-average remaining lease term and weighted-average discount rate used:

	2024	2023
Weighted-average remaining lease term		
Operating leases	3.62 years	2.19 years
Finance leases	4.33 years	2.67 years
Weighted-average discount rate		
Operating leases	3.35%	2.33%
Finance leases	4.13%	7.02%

The future minimum lease payments under noncancelable operating and finance leases with terms greater than one year are listed below as of June 30, 2024:

	Operating	Finance
For the years ending June 30,		
2025	\$ 320,818	\$ 28,584
2026	274,515	28,584
2027	247,338	28,584
2028	233,070	28,584
2029	2,135	9,528
Thereafter	1,424	-
Total lease payments	1,079,300	123,864
Less: present value discount	(71,245)	(10,629)
Present value of lease liabilities	<u>\$ 1,008,055</u>	<u>\$ 113,235</u>

13. RETIREMENT PLAN

The Foundation sponsors a defined contribution retirement plan for eligible participants age 21 and older with six months of full-time service. The Foundation contributes, on a discretionary basis, a percentage of the annual salary of each eligible employee. The expense for the years ended June 30, 2024 and 2023 was approximately **\$204,000** and \$172,000, respectively.

UTAH FOSTER CARE FOUNDATION

Notes to the Financial Statements
For the Years Ended June 30, 2024 and 2023

14. CONCENTRATIONS OF CREDIT AND MARKET RISK

The Foundation maintains its cash and cash equivalent balances in financial institution accounts which may at times exceed their federally insured limits of \$250,000 as established by the Federal Deposit Insurance Corporation. To date, the Foundation has not experienced a loss or lack of access to its cash; however, no assurance can be provided that access to the Foundation's cash will not be impacted by adverse conditions in the financial markets.

A significant portion of the Foundation's support and receivables are from an agency of the state of Utah. This agency represented **97%** and **57%** of the total of accounts, grants, and promises to give receivable balances as of June 30, 2024 and 2023, respectively. Additionally, for the years ended June 30, 2024 and 2023, this agency represented approximately **73%** and **75%**, respectively, of support and net investment income. The current grant agreement with this agency ends in June 2025, with an expectation the agreement will be renewed for future periods; however, there is no assurance this will occur. A future reduction of the support from this agency, due to either amendment of contract terms or cancellation of the contract, would have a very significant impact on the Foundation's operations.

15. RELATED PARTY TRANSACTIONS

Members of the Board of Directors and employees of the Foundation provided financial support in the form of contributions of **\$24,724** and **\$28,607** during the years ended June 30, 2024 and 2023, respectively.

Included in promises to give was **\$84** and **\$84** due from board members and employees of the Foundation as of June 30, 2024 and 2023, respectively.

16. SUBSEQUENT EVENTS

Subsequent events have been considered through the date of the independent auditor's report, which is the date the financial statements were available to be issued.
